

SOUTH DAKOTA QUALITY COLLABORATIVE

2nd ANNUAL CONFERENCE ON
QUALITY, PATIENT SAFETY & VALUE

THURSDAY, JUNE 9, 2011 | RAMKOTA HOTEL, RAPID CITY

The South Dakota Quality Collaborative (SDQC) is pleased to invite all members of the health care team to the 2nd Annual Conference on Quality, Patient Safety and Value. The Conference will be held in conjunction with the 2011 Annual Meeting of the South Dakota State Medical Association (SDSMA). Physicians, nurses, administrators, executives - anyone involved in the field of providing high-quality health care is invited to attend the SDQC's Conference on Thursday, June 9.

To register or for more information,
go to www.sdsma.org

The South Dakota Quality Collaborative (SDQC) is a joint effort of the South Dakota State Medical Association and the South Dakota Association of Healthcare Organizations. It is the goal of the SDQC to improve healthcare quality, patient safety and value through healthcare provider education, communication and collaboration.
